## Christmas 2022

It was lovely this year to see the return of the Christmas plays and carol services to our schools. Covid-19 had shut down so many of our traditional gatherings for almost three years. Christmas parties have reappeared and the coming together of family and friends is once again a big feature of the festive season. Perhaps our enforced distancing has given us a fresh appreciation of togetherness in all its forms; there is perhaps wisdom in 'hunger being good sauce' and not appreciating what we have until it's gone! Thank God, it's back!

### An Advent tradition in Lucan

The Advent wreath is a symbol shared by many Christian traditions, its candles representing the four weeks of the Advent season leading up to Christmas. In Lucan, a tradition has developed where each of the four Christian Churches in the Village bring to each other a candle for the wreath bearing the name of their church. This candle is brought by a parishioner or minister and presented with greetings at Sunday worship. At the end of Advent the wreath burns a candle from all the churches in each church, a moving expression of shared faith.

### O Come, all ye faithful!

One of our suspended Christmas traditions was our gathering on the Lucan Village Green on Christmas Eve. For many years past, members of the Lucan Churches of all traditions have gathered to read the Christmas story from the Scriptures and to celebrate it with Carols and song. It is one of those special occasions when denominational divides don't matter, and we gather to bear united witness to the reality that lies at the heart of all Christian faith – Jesus, the Word made flesh. This year we can gather again, and will be joined by the Lucan Concert Band who provide the music each year.

It offers us an opportunity for post-Covid thanksgiving, and we invite **all** to come and join in for Christmas 2022. We will gather at 1:00 pm on Christmas Eve and look forward to seeing many of you there. We will remember in a special way those who lost their lives during the pandemic and whose loss will be keenly felt at Christmas.

## Anniversaries

### SHAMIE BOLGER

#### 1<sup>st</sup> Anniversary - 16<sup>th</sup> December

In loving memory of our beloved husband, Dad, and granddad **Shamie Bolger** whose first anniversary occurs. Also remembering at this time our beautiful, beloved daughter/sister and aunt **Georgina Bolger** whose first anniversary occurred 30<sup>th</sup> August 2022. Separated in life, united in Heaven. Rest in Peace.

When we remember happy times  
The thoughts we hold most dear  
Are the times we shared together  
The days when you were here  
If only we could see you Dad  
For just a little while

To hold you close and hug you  
And see your great big smile  
But God would never grant this wish  
As he would surely know  
That if we ever had you back  
We would never let you go.  
Not a day goes by we don't think of you both.  
Always in our thoughts and prayers.

No one could fill the void you both left.  
*Very sadly missed and always lovingly remembered by Mam (Philly), sons James, John, and families*

## Anniversaries

### JOE DAWSON - 39<sup>th</sup> Anniversary

### NANCY DAWSON - 13<sup>th</sup> Anniversary

by Janet, Lorraine and family*

### TERESA (TEASIE) GREENE

Also **Bill**, Died 6<sup>th</sup> November 2004. R.I.P.  
Late of Finnstown, Lucan.

The flowers we place upon your grave  
May wither and decay  
But the love for you who sleeps beneath  
Will never fade away.

*Always remembered by their loving family*

### MARY O'BRIEN

I remember the good times  
And all of the happiness we shared

### PATRICIA O'BRIEN

#### 41<sup>st</sup> Anniversary

Our dear mother.

The tears are still being shed now  
We said our last goodbyes

It's not the same without you Mam  
Since that day you died

You left so quietly, without a fuss  
And broke the hearts of all of us.

Also remembering her sister **Joan** who died  
10/12/1981, my father **Martin O'Brien** who died  
8/5/2011 and my sister **Ann** who died 18/6/2009.

Finally, with the changes afoot at Finnstown House, it might be a good time to revisit my post from 2018 on locating the medieval castle at the core of the Georgian House, see:

<https://soc4oldlucan.wordpress.com/2018/06/05/finnstown-castle-update/>

The blog post above is a good reminder that many of Lucan's buildings and sites appear to date from a certain period, but often contain far, far older parts or origins. Esker House (the original Esker Manor, where the Chinese Gospel Church is now based) is another such site that looks ostensibly like a Georgian farmhouse, but has much older 16<sup>th</sup> century components still extant, and is perhaps even older than this.

Esker House was the site of the Royal Manor of Esker dating back to King John's times in the early 13<sup>th</sup> century. A law court was held in this building where local legal cases were heard, presided over in the 16<sup>th</sup> century by the great-great-Grandfather of Patrick Sarsfield, Sir William Sarsfield. Sir William was an Elizabethan knight. Intriguingly, some historical records of this law court still survive and can be read here:

Wouldn't it be great to get something similar done for some of our heritage sites in Lucan...?

## YOUR VIGILANCE MATTERS IN LUCAN! TAKE ACTION....

There's a lot of development and change in Lucan at present, and some of our historic buildings are: **Protected Structures** (SDCC enforces their protection)

**Recorded Monuments** (generally older monuments, protection enforced by the National Monuments Service, and visible on the Historic Environment Viewer here:

<https://maps.archaeology.ie/HistoricEnvironment/>

**Buildings listed on the National Inventory of Architectural Heritage** (also on the Historic Environment Viewer

<https://maps.archaeology.ie/HistoricEnvironment/>

A building can be a Protected Structure/Recorded Monument and be listed on the NIAH.

If **you** see an historic local building that you feel is damaged, at high risk of dereliction or damage, or you are concerned a monument has been interfered with, please report it immediately? Don't assume someone else has reported an issue. Be proactive in helping save Lucan's heritage!

Please contact SDCC's Architectural Conservation Officer, Irenie McLoughlin for guidance on any Lucan building at [imcloughlin@sdublincoco.ie](mailto:imcloughlin@sdublincoco.ie) OR your local councillor or representative in SDCC, see <https://www.sdcc.ie/en/services/our-council/councillors/> who can raise a question at the SDCC Local Area Committee Meetings.

Please keep us in the loop if you are reporting any buildings or monuments at risk [oldLucan@gmail.com](mailto:oldLucan@gmail.com) by BCC or CC. Thanks.

Recent actions by SOL followers in the last 2 years have helped save a piece of historic wall along the old Esker Lucan-Newlands Road which has been incorporated into the new cemetery boundary, and saved Airlie House from destruction from fire, which has resulted in the loss of many old buildings around Lucan in the last few decades. Sadly, despite reporting the Farm Manager's house in St. Edmondsbury in good time, it was still destroyed by fire due to vandalism, so it is an example of how vulnerable these heritage structures can be.

**SCHOOL NEWS**

**Griffeen Community College**

Under 16 East Leinster Champions

A nervous energy could be felt in the air around Griffeen Community College on Friday last, the 9<sup>th</sup> of December. Our Under 16 Boys basketball team were preparing to head off to the National Basketball Arena, Tallaght. It was their first final and the opposition were Clonkeen College, Deansgrange. It would be a tough battle but the school had faith in the boys' talents and were confident in their abilities.

We were off to a rocky start and the first and second quarter were not kind to the GCC boys. It seemed that we were going to be playing catch up for the remainder of the match. However, with a never give up attitude, our boys dug in and, as the whistle blew for the beginning of the third quarter, the comeback began. The defensive strategy employed for the fourth and final quarter proved decisive and the GCC boys romped home to victory, with the final score at 48 to 39.

It was a monumental win for GCC and the first time the school was successful in bringing home the silverware. Hopefully, for GCC, it is a sign of things to come.

Griffeen Community College Team: Dylan Brennan, Pearce Brennan, Dean Brennan, Grantas Piekus, John Olayinka Shotunde, Daniel Adeoti, Ezra Oni, Danilo Savovic, Tunmise Hamzat, Darragh Mc Gowan, Samuel Victor Shotunde, John Akonbobola, Kieran Marco Martir, Dru Sweeney.

## Coláiste Phádraig CBS

**Awards:** Well done to **Conor Linnane** who won the *Mark O' Neill Student of the Month Award* for November in recognition of his excellent behaviour, good manners and pleasant demeanour in class and around the school.

Congratulations to TY student **Conor Dillon** who won the *Sports Star of the Month Award* in recognition of his brilliant displays for the school's hurling teams, including a brilliant display in the u16 Junior Development Shield Final.

Comhghairdeas freisin le **Mobashir Ahadmansih** ón gcúigiú bliain a bhuaigh an gradam *Gaeilgeoir na Míosa* do mhí na Samhna mar gheall ar an sár-iarracht a dhéanann sé an Ghaeilge a labhairt agus an sár-obair atá déanta aige sa rang Gaeilge.

**Food collection:** Food items have been collected over the past number of weeks for Lucan Lions Club and the response has been heart-warming. The collection as a great success and there was enough food brought in probably for at least ten large hampers. A generous cash donation was also given to Ms. Casey by a parent and this was much appreciated.

The food and money will be delivered to the Lucan Lions Club later this week by Ms. Casey and they already have families lined up to receive the hampers in time for Christmas. Ms. Casey would like to thank all those that contributed, both students and staff, so generously to the appeal while we would like to thank Ms. Casey for organising, promoting and co-ordinating this annual collection.

**Football:** Our u16 football team opened their Dublin Junior League campaign with a dramatic 2-12 to 2-11 victory over Coláiste Choilm, Swords last week, with the winning goal being scored by Dara Garrigan in the last seconds of the game!

**Hurling:** Our senior hurlers began their Dublin Senior Hurling Championship campaign with an impressive 2-15 to 1-04 win against Skerries CS last week. It was a commanding performance from the team as they hurled beautifully throughout and took their chances well to record an emphatic and thoroughly deserved victory.

**Inspection:** A Computer Science Inspection took place in the school on Wednesday 7th and Thursday 8th December. Over the course of the two days, the Inspector visited six lessons and had meetings with the Principal and Deputy Principal as well as meetings with the Computer Science and Coding teachers. He also held a focus group meeting with ten students who gave their views

on the provision of Computer Science and Coding in the school.

At the end of the two days, the Inspector provided oral feedback to the Principal, Deputy Principal and teachers. The school is compliant with Child Protection and Anti-Bullying guidelines. All areas of inspection were in the very good or good categories which are the top two categories. A report will be published on the Department of Education website in the coming months.

**Mass:** All 2<sup>nd</sup> and 3<sup>rd</sup> yr students attended Christmas mass celebration in St. Mary's Church on Tuesday. Fr. Ubaldo delivered an excellent celebration and we are very grateful that he took the time to do so. Well done to the students that volunteered to do some readings, they all did very well. It was a lovely occasion and enjoyed by all in attendance.

### **Canteen Competition:**

Over the last few weeks the canteen staff have been running a competition for students to name a cuddly toy sloth which they had on display in the canteen. They received a large number of creative and inventive suggestions and eventually selected two winners. 5<sup>th</sup> yr Tharun Pynadath came second with his suggestion

'Slowpy' while the overall winner was 6<sup>th</sup> Conor Henson who cleverly suggested *Slow Patrol*. The winners received free lunches for their efforts.

**TY:** Our Transition Year students have returned from their two-week work placements around the city. They gave presentations via PowerPoint and Google Slides in class on Monday on their experiences in their various workplaces. The students had a wide array of interesting placements such as working in a bar in Spain, shadowing and assisting a barrister in the High Courts, helping out in Celbridge Snooker Club, various local Primary Schools, Baldonnell Airport, a Doctor's surgery, the FAI, Accountancy and Computer Firms.

The students also went ice-skating on Wednesday in Blanchardstown, home to the largest ice-rink in the country. They spent the morning gracefully gliding and skating across the ice rink like seasoned professionals, performing various impressive jumps and spins on the way (or so they claim anyway!). Luckily for the less graceful and nervous beginners, fibre-glass weighted skating penguins were on hand (like stabilisers on a bike) to guide them tentatively across the ice.

## St. Joseph's College

**Humour Fit:** On Wednesday our 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year students attended the Humour Fit anti bullying workshops, the humour fit theatre company tell the story of a teenage boy and shows the audience how unknown to themselves they have become involved laughing at the names and taunts and acting like bystanders in a yard or canteen. This is pointed out at the end as they are reminded of the moments they found funny meant they took an active part in bullying Peter. It is an excellent workshop which captures the audience from the outset.

**6<sup>th</sup> Year Ice Skating:** On Thursday our 6<sup>th</sup> Year group got a well-deserved day out when they travelled to Blanchardstown shopping centre to go for an ice-skating trip as a whole year group. They even got a couple of hours in Blanchardstown Shopping Centre to do a little bit of early shopping centre.

**5<sup>th</sup> Parent Teacher Meeting:** We held our 5<sup>th</sup> year parent teacher meeting on Tuesday evening, it was great to meet with the parents and the students to discuss their progress.

**TY Christmas Fair:** On Friday the Transition Year students held the annual Christmas Fair. This fair gives the students the chance to start a business, create a business plan, market their product and finally trade at the Christmas fair. There were over 14 businesses in this year's fair with some fantastic products.

## A Vital Ingredient for Christmas fare.....

**If** I decorate my house perfectly with plaid bows, strands of twinkling lights and shiny balls, but do not show love to my family, I'm just another decorator.

**If** I slave away in the kitchen, baking dozens of Christmas cakes, preparing gourmet meals and arranging a beautifully adorned table at mealtime, but do not show love to my family, I'm just another cook.

**If** I work at the soup kitchen, carol in the nursing home and give all that I have to charity, but do not show love to my family, it profits me nothing.

**If** I trim the spruce with shimmering angels and crocheted snowflakes, attend a myriad of holiday parties and sing in the choir's cantata but do not focus on Christ, I have missed the point.

**Love** stops the cooking to hug the child. Love sets aside the decorating to kiss the husband. Love is kind, though harried and tired. Love doesn't envy another's home that has coordinated Christmas china and table linens.

**Love** doesn't yell at the kids to get out of the way, but is thankful they are there to be in the way. Love doesn't give only to those who are able to give in return but rejoices in giving to those who can't.

**Love** bears all things, believes all things, hopes all things, endures all things. Love never fails. Video games will break, pearl necklaces will be lost, golf clubs will rust, but giving the gift of love will endure.

*Happy Christmas and lots of love to you and yours!*

### **Foxhunter site:**

I was pleased to learn this week that the planning application for a distributor warehouse at the old Foxhunter site was refused by South Dublin County Council. This decision is the correct one, and is consistent with the County Development Plan which was recently adopted.

### **Lucan Core Bus Corridor:**

I will be hosting a webinar on the Lucan Core Bus Corridor Scheme to answer questions and to outline the changes that it will involve in the first week of January. If you would like to attend, please let me know.

### **County Capital Plan:**

As part of the County Capital Plan presented to councillors this week, I was pleased to see significant funding for the 12<sup>th</sup> Lock Master Plan, planned innovation and enterprise centres at Adamstown and the 12<sup>th</sup> Lock as well as provision for expansion for existing allotments plots.

Delighted to report that following a motion I had passed recently; the council will extend webcasting to Area Committee meetings from January 2023. Anyone wishing to view an Area Committee meeting live can log in from the Council meetings page on [www.sdcc.ie](http://www.sdcc.ie). ### **Lucan Swimming Pool:**

CEO says he would not be optimistic that current March/April 2023 target will be met. SDCC has written to the successful tenderer, but as of now we have not been given any details about the new management company.

### **Griffen Community College:**

The Minister replied to my query saying that it is still the intention to commence the tender to build the new school by the end of the year. The tender process will take 8-10 months and 70 weeks for the completion process after that. See report on my website.

### **Wall breach opposite Maxol:**

Design report promised end of November still not delivered. Hopefully an update at Area Committee meeting on 20th.

### **C2 route:**

The promised route via Lidl and Shackleton Drive delayed further as parts of road not wide enough due to construction.

## ACRA Rail Failure

The extra train trips on the Lucan Adamstown line are very welcome. There are sufficient trains on this line for an hourly service all day to Grand Canal Dock via the city centre. Unfortunately, we are let down by the regulator NTA by not insisting the service is planned correctly.

There are sufficient trains, but there is no train serving Adamstown station to Grand Canal Dock from 2.35 PM until 19.00 PM, a gap of almost four and a half hours. During this time six trains pass through Adamstown to Grand Canal Dock without stopping, four of them start their inward trip from Hazelhatch station less than five minutes up the way. These trains have a stopover for more than ten minutes at the Hazelhatch station. Two other trains during this time start their inward trip from Newbridge and also stop at Hazelhatch but don't stop at Adamstown.

All these trains could depart two minutes earlier to allow them stop at Adamstown. This would give an hourly service all day through the city centre. Is Lucan been let down again or is the NTA asleep at the wheel with their strange decisions.

## Help Wanted

*By Timothy Tocher*

Santa needs new reindeer.

The first bunch has grown old.

Dasher has arthritis;

Comet hates the cold.

Prancer's sick of staring  
at Dancer's big behind.

Cupid married Blitzen  
and Donder lost his mind.

Dancer's mad at Vixen  
for stepping on his toes.

Vixen's being thrown

If you are a reindeer  
we hope you will apply.

There is just one tricky part:

You must know how to fly.

## LUCAN HARRIERS A.C.

### BIG NEWS!

After a fantastic Indoor and Outdoor season in 2022 Kate O'Connell has been selected for the Irish Senior Women's 4x400m Squad for 2023. The squad are targeting qualification for the World Championships in Budapest in August. Congratulations and best of luck Kate.

### National Uneven Age and Novice XC Championships – Conna, Co. Cork – 4th December 2022

Lucan Harriers travelled in force to Cork on Sunday for the last of the National Cross-Country Championships of the year. To say that the course was 'testing' was an understatement, however, it was a brilliantly organised event by St. Catherine's AC with some excellent racing throughout the day. We had over 40 Lucan Harriers taking part with many making their debut at Nationals.

**Our U11 girls** were first up, and we had Doireann Ni Fhiaich and Cara Clandillon running, with both representing Dublin. Both girls ran really well for their first outing at Nationals with Doireann finishing an excellent 28th and Cara a really good 89th out of a huge field of 172. The Dublin team just missed a county team medal finishing in 4th.

**In the U11 boys** we had a team of 5 running with 3 of the boys moving up from U10. Seimi Anglim ran an excellent race finishing in 33rd. Seimi was also part of the Dublin team who finished 4th county. There were really solid runs from our other 4 athletes with Adam Doyle in 143rd, Fionn Burke in 144th, Sean Scallan in 153rd and Michael Finlay in 160th with the team finishing in 18th place.

**Our U13 girls** were next up, and the ground was already starting to get very heavy. Poppy Lyons Kennedy was our first scorer running really well to finish 45th, Poppy was also part of the Dublin team who won silver in the county team competition. Issy Lyons Kennedy was next in 51st, another great run just behind her sister. Saoirse Scallan, who ran most of the race in her socks having lost her spikes in the mud, did really well to finish 101st with Grace Hughes (111th), Millie Brazil (151st) and Gracie Wren (154th) all supporting the team well with our club team finishing a very solid 11th.

**Our U13 boys** were led up by Conor Abbott who had an absolute stormer of a run to finish a brilliant 19th. Conor was also part of the Dublin team who won county gold and provincial silver. We had very strong runs also from Conal Fitzgerald (52nd), Daniel Abbott (78th), Elliot King (126th) and Donal Butcher (151st), with the first 3 having moved up from U12. The team finished an excellent 8th place out of 18 teams.

Rachel Jez led home the **U15 girls'** team with an excellent 39th place finish out of her age (Rachel was also part of the Dublin County team who won gold). Rachel was supported by Eve Clarke in 69th, Muireann Ni Bhuachalla in 99th, Elena King in 125th, Eva Collis in 128th and Ana Jones in 142nd all having solid runs with the team finishing a creditable 11th out of 15 teams.

David Coakley showed a welcome return to form on Sunday with an excellent 25th place finish in the **boys U15**. David really got stuck in and the very muddy conditions didn't seem to affect him at all. Ferdia McDonagh was next in 44th place which was a great run considering he had fallen twice during the race. David and Ferdia were supported by very good runs from Donnacha Mac Fiaich in 84th, Joe Bracken in 89th and Eoghan Maye in 136th and the team pulled out an excellent 6th place finish out of 17 teams.

Since finishing 4th last year (and only missing out on a medal on countback) we had targeted this race for our **U17 girls** knowing a medal was there for the taking if we could get them to the starting line healthy. Unfortunately, that didn't happen with 2 of the girl's sick for most of the week and it was only heading to the start line that they had decided to run. Luckily, they did run and with Aisling Fitzpatrick having a brilliant run to finish 21st it set the team up well. With Saoirse Fitzgerald (37th), Maggie Jez (47th), Izzy Cuffe (75th), Sadhbh Ni Bhuachalla (77th), Katherine Kilcullen (94th) and Eilish Tomney (107th) all having excellent runs it meant the team finished a fabulous 2nd place. Aisling and Saoirse were also part of the Dublin team who won the County Team competition and finished as 3rd region.

Mati Wanic was our lone representative in the **U19 boys** and running his best race ever Mati finished an excellent 24th and was part of the Dublin Team who finished 1st county and 3rd region.

Aoife Coffey ran brilliantly in what was a very high-quality **women's novice race**. Aoife ran conservatively for the first half of the race and picked a number of athletes off in the second half to finish an excellent 7th place. Aoife was part of the Dublin team who comfortably won the county team title.

Our last competitor of the day was Dylan Wright, who finished an excellent 53rd out of a field of 200.

## St. Mary's Camera Soirée

We did not meet last Friday in the interests of the safety of our members because of the bad weather. We have certainly had a blizzard of warnings in the past week, but very little snow! One wonders are these warnings part of a plot to condition people not to either think for themselves or take responsibility for their own actions? (It reminds me of the concept of “cocooning” in the early days of COVID.)

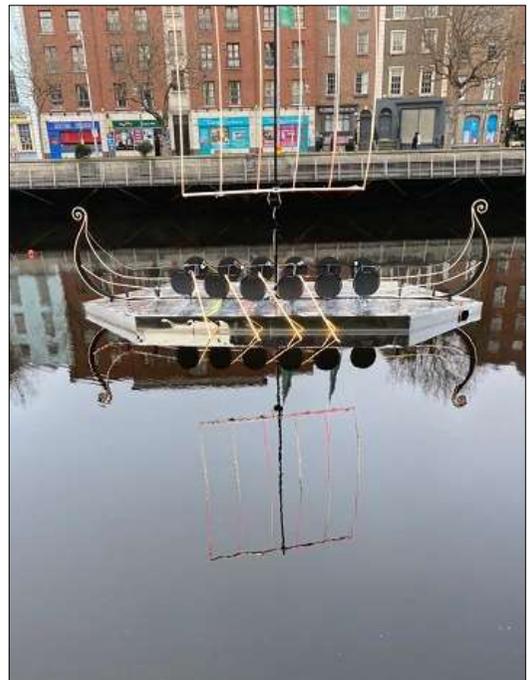

This Friday we are meeting in the Parish Centre for tea and mince pies as it is our last meeting before Christmas. The Soiree will be back in the Centre on Friday 14<sup>th</sup> January.

Despite the weather our members were out over the weekend taking photographs. There were more photographs of Christmas lights around Lucan.

Joe submitted a view of a wintery grounds of St. Edmundsbury taken on Friday morning. This view has featured a number of times this year as the seasons have rung their changes. It is fascinating to look back on them.

Michael B was in the city and submitted a photo of “The Liffey Viking Boat” that is illuminated at night and can be seen on the river Liffey between the Halfpenny Bridge and O’Connell Bridge. It is part of the Dublin City Council “Dublin Winter Lights” but I have been unable to find out on any website dealing with the event anything about the artist who created the work.

*Until next week stay safe!*
