Archbishop Farrell visits Lucan

Sunday last saw the first visit of Dublin's new Archbishop to Lucan. Archbishop Dermot Farrell celebrated the 10:30 am Mass on that day in St. Mary's. He is presently getting around the parishes of the Diocese each Sunday. Because of the Pandemic his visits have to be low key and without the ceremonial that usually marks the visit of an Archbishop to his parishes. Unfortunately he cannot meet many people because of the restrictions.

His installation in the Pro-Cathedral was itself an unusual affair with only a handful of people able to be present because of the public health restrictions, once again the webcam came into its own. At any time, assuming the leadership of a large Diocese is a daunting task, but in the middle of a global pandemic that task is compounded by the strange circumstances we all find ourselves in. The constraints of our times don't seem to have deterred our Archbishop in meeting the challenges facing the church in Dublin, and within weeks he had established a Task Force titled 'Building Hope' to look at the future and to plot a way forward making the best possible use of available resources. The Task Force has been asked to begin with an assessment of the needs of the people of the Archdiocese emerging from Covid-19 and to work to support parish communities to undertake a radical renewal, looking to the future with creativity.

The first job that this group have decided to do is to reach out to parishes and get people's views on certain key issues, especially as we move out of Covid restrictions and focus on renewal in the church. This listening phase is a vital stage in the process that will lead to change and renewal, and it is important that as many people as possible make a contribution of their ideas, suggestions and views. You can read more about it on the Dublin Diocese website, <https://dublindiocese.ie/task-force-building-hope/>

I would encourage you to go online and complete the questionnaire - and take an interest in the work of this group, as it develops. It is very much in line with what we looked at when we had our own parish synod a few years ago. There is always a benefit from reflection and review and the prospect of renewal at Diocesan level is a welcome and exciting idea.'

Surveillance in the workplace

This news item was posted on June 30, 2021

I am working from home during COVID-19. Should my employer have a policy on internet and email usage and what activities are they allowed to monitor when I am working from home?

You have a right to privacy in the workplace. However, your right to privacy is balanced against your employer's rights to run their business and protect their company.

Your employer should give you their policy on email and internet use in the workplace, including the use of social media. This is known as an Acceptable Usage Policy (AUP).

When you work from home (also called remote working), your employer should follow the same rules in relation to monitoring your work.

This should include telling you:

Who is monitoring you
What they are monitoring
How they are monitoring you
When they are monitoring you

Your employer should tell you if they are using employee surveillance software, for example, to track your mouse and keyboard activity, your use

of email, social media, files and applications, and so on. This may be contained in a policy provided by the employer.

Monitoring must be necessary, legitimate and proportionate

If your employer wants to monitor your internet use or emails, it must be necessary, legitimate and proportionate.

Necessary: Your employer must be sure that monitoring is necessary. They should consider less intrusive ways of supervising you before deciding on monitoring. For example, blocking websites would be less intrusive – and generally more acceptable – than monitoring your internet search history.

Legitimate: The monitoring should have a legal basis. For example, to make sure employees are not using the internet to download pornography, or to disclose confidential company information to people outside the organisation.

Proportionate: Your employer's monitoring must be proportionate to the risk of the perceived threat. Proportionality means it must be fair, measured and reasonable in terms of its objectives. Monitoring all of your emails to make sure you are not passing on confidential information about the company would not be proportionate. However, monitoring your emails using an automated system to scan for viruses would probably be considered proportionate.

St Swithin Feast Day 15th July

*St Swithin's Day, if it does rain
Full forty days, it will remain
St Swithin's Day, if it be fair
For forty days, it will rain no more.*

The weather-rhyme is well known throughout the UK and Ireland. St. Swithin was a Saxon Bishop of Winchester and legend says that his wish was that he would be buried in the common graveyard, "where the rain would fall on him and the feet of ordinary people could pass over him." For many years, his wishes were followed, but then his remains were moved to an indoor shrine in Winchester Cathedral.

The work started July 15th but it wouldn't be finished for many more years. Torrential rains prevented it on the first day and continued for forty days and forty nights. It was said that St. Swithin, who had hated being in the limelight was weeping in protest.

The countryside was flooded and the monks begged St. Swithin to intercede for them. It's said that he appeared to one of his monks and revealed how displeasing it was to God to spend their time in useless waste of time and money which should be spent with more advantage in the relief of the poor and needy; he also forbade the monks to interfere with his remains thereafter.

In 963AD the work on the mausoleum was finally completed, by then, the legend of St. Swithin as a rain-saint was well established. The legend made its way to Ireland during the middle ages.

Oddly enough, while most of us would rather it not rain on July 15th Apple-growers hope for rain on this day, as well as on the feast of Saints Peter and Paul (June 29th) for it is believed that the saints are watering the crops. If they fail to do so, the apple-crop will not be good one.

St Swithin died on 2nd July which is his Feast Day in some countries.

When going to press the forecast is for a fine day with a little cloud, for this St Swithin's Day so it's looking pretty good.

On behalf of the Corrigan and Whelan Families we would like to sincerely thank our family, friends and neighbours for their support on the recent loss of our dear Sandra.

We cannot describe how much your support means to us as we struggle to carry on with the void left by her passing. It is the kindness and caring of our family, friends and neighbours that is helping us through our grief.

We can never really be ready for the loss of someone we love. Suddenly, our lives are changed forever and all we are left with are memories.

Our gratitude for your support is difficult to put into words at this time. Thank you for your continued support and kindness.

Missing Keys

**Lost car and house key in

Please phone 087 973843. Reward.

It's looking like a Blue Summer with great Dublin displays in both football and hurling last weekend. Great to see so many Lucanians involved in all codes.

Chris Crummey grabbed the headlines in the Sunday Independent, and we see that the ladies goalkeeper, **Abby Shiels**, is one of five Dublin ladies to make the Lidl Team of 2021. Well done to all those involved on the various panels.

Euros will finish up this Sunday!

Will it be the Azzurri or the Ould Enemy? Should be a good game, but it is very disconcerting to see so many people in a stadium, especially without wearing masks these days! It's a different world now!

New Bug Hotel Open! Tadhg spotted Lucan's latest Bug Hotel at the entrance to Lucan Demesne, and he found quite a few bugs – not worrying about social distancing.

Getting Older!

As I was lying around pondering the problems of the world, I realized that at my age, I don't really give a hoot anymore.

If walking was good for your health, the postman would be immortal. A whale swims all day, only eats fish, drinks water, but is still fat. A rabbit runs and hops and only lives 15 years, while a tortoise doesn't run, and does mostly nothing, yet it lives for 150 years.

And you tell me to exercise?

I don't think so!

Just grant me the senility to forget the people I never liked, the good fortune to remember the ones I do, and the eyesight to tell the difference.

Now that I'm older, here's what I've discovered:

I started out with nothing and I've still got most of it.

My wild oats are mostly enjoyed with prunes and all bran.

I finally got my head together, and now my body is falling apart.

If all is not lost, then where the heck is it?

It was a whole lot easier to get older, than to get wiser.

It's hard to make a come-back when you haven't been anywhere.

If God wanted me to touch my toes, he would have put them on my knees.

When I'm finally holding all the right cards, everyone else want to play Chess.

It's not hard to meet expenses, they're everywhere.

These days I spend a lot of time thinking about the hereafter ... I go somewhere to get something, and then wonder what I'm "here after"!

Thank you to the reader who sent us the above piece which would be funny if it wasn't true!!!

A Widow's Weeds

By Walter De La Mare

A poor old Widow in her weeds
Sowed her garden with wild-flower seeds;
Not too shallow, and not too deep,
And down came April - drip - drip - drip.
Up shone May, like gold, and soon
Green as an arbour grew leafy June.
And now all summer she sits and sews
Where willow herb, comfrey, bugloss blows,
Teasle and pansy, meadowsweet,
Campion, toadflax, and rough hawksbit;
Brown bee orchis, and Peals of Bells;
Clover, burnet, and thyme she smells;
Like Oberon's meadows her garden is
Drowsy from dawn to dusk with bees.
Weeps she never, but sometimes sighs,
And peeps at her garden with bright brown
eyes;
And all she has is all she needs -
A poor Old Widow in her weeds.

Widow's Weeds

The term 'Widow's Weeds' refers to the black clothing worn by widows back in the Victorian era. The fashion consisted of a dull black dress to conceal the female figure, and a 'weeping veil' worn over the head and face when going out. Indoors, the woman wore a white 'widow's cap'.

Following the death of Prince Albert, in 1861, Queen Victoria entered a lengthy period of mourning, and for the following 40 years, until her own death in 1901, she continued to wear her 'weeds'.

This mourning style caught on all over the world, and indeed, many of us elder lemons will remember our grannies who were widowed, donning the dark black clothing for the remainder of their lives.

The word 'weeds' is thought to derive from an old English word for robe or dress, which came from an earlier European word 'wedh', which meant 'to weave'.

De La Mare conjures up a picture of the grieving widow spending her remaining days in mourning, with no enjoyment but her garden of wild flowers.

St. Mary's Camera Soirée

This week the members of the Soiree submitted photos of poppies, more Damselies, a Ringlets butterfly seen in St. Catherine's Park as well as some bird caught singing their heads off. A particularly attractive photo from amongst the "nature" photos is that of the wild teasel with ladybird.

Editor's Note: Did you know that the spiny heads of Teasels were used down through the ages to raise the nap on woollen cloth, and so they were often grown near woollen mills.

Perhaps the most adventurous photo this week was the photo of Lucan Bridge taken by a daring member of the group who was able, because the water level in the river was low, (that was before the torrential rain of last Tuesday!) to walk out onto the weir and take some photographs of the bridge from a slightly different angle.

As I am sure you are aware this beautiful bridge, at approximately 34 meters, is still the largest single span, masonry arch, bridge in Ireland. It was designed and built over two hundred years ago by the team of George Knowles, architect, and James Savage who also gave us the Fr. Matthew Bridge and the O'Donovan Rossa Bridge in Dublin city.

The architect George Knowles was born in Yorkshire about 1776 and worked in Ireland from about 1800 to 1820 after which he returned to the UK and worked around Scarborough until his death in 1856.

Until next week stay safe!

SUSI Grants: This week in the Dail I raised the issue of students who were in receipt of the PUP payment having their SUSI grants for the upcoming academic year severely reduced. In some cases students had to defer their college course till next because they are disqualified from qualifying for the grant on the basis that they were in receipt of the PUP which is then taking into account as income thus bringing them above income thresholds to qualify for the financial support.

Pedestrian Upgrade: I have consistently raised requests to redesign the roundabouts on Esker Road and Hayden Lane at Finnstown Hall Apartments since 2015. At this week's area committee meeting my motion to seek funding for these plans was agreed. The contractor has since carried out the pedestrian/traffic count. Traffic Section confirmed that funding to undertake €75,000 of the works out of this year's budget should the numbers warrant the works.

Arrangements to complete any required balance will come from next year's budget. I expect to have the findings of this count sent to me next week.

Further counts: There are other crossings which I have had agreed for traffic/pedestrian counts, these are at the T-junction outside Tesco, Hillcrest and on Leixlip road near Lucan Demesne.

Additional road safety measures: Further to my requests an additional yellow box junction has been installed on Dodsborough Road/Meadowview Grove.

Cumann na Sáirséalaigh Leamhcáin

What a goal! from Chris Crummey, last Saturday, in Croke Park, ensuring the win over Galway and a place in the Leinster SHC for Dublin against Kilkenny.

Congratulations to Abby Shiels, named on the Leinster LGFA Team of the LIDL National League 2021.

Mixed fortunes for our adult hurlers in the leagues last weekend with the highlights being good wins for the Junior As over St Pats and the Junior Cs defeating Kevin's, the senior team were unlucky to lose out to Cuala by 2 points, while the Junior B's lost to a strong Thomas Davis side. In ladies football both junior teams recorded away wins against St Annes and St Finians, while the inters lost at home to Maurs. Senior camogie took a win at home to Faughs as did the Junior 5's against Cuala, followed by the Junior 3's on Tuesday, winning, also against Cuala. On Monday, a new first as our four minor ladies football teams opened their league campaigns with wins for the B's and C's. All club results and fixtures are on the website.

Our condolences to Derek Porter and family on the death of both his parents, Mabel and Jack who were buried together last weekend. May they both rest in peace.

Please note that dogs are not allowed on the premises of Lucan Sarsfields GAA Club. All

teams are asked to inform visiting clubs of this when arranging home fixtures.

All teams are to return club equipment, (flags, nets, etc) to the correct storage area when matches are completed so that the gear is available to the next team. All teams using Pitch 1 and Pitch 2 are to replace the goalmouth protection at the end of the games. Due to the huge demands placed on our facilities at the moment, Home and Visiting teams are asked not to use Pitch 1 or 2 for warmups and drills prior to games.

Earlier this year, Lucan Sarsfields ran a Fantasy Golf Teams Competition based on The US Masters. The competition was very successful, generating much-needed funds to help cover the costs of running our Senior Hurling Team in 2021. The feedback from entrants in the Competition was also positive and the Competition added greatly to their enjoyment of the Masters. We have decided to run our Fantasy Golf Teams Competition again, this time based on the Open Championship (which takes place Thurs – Sun of next week, July 15 - 18). This is again a fundraiser for our Senior Hurling team. Each entrant will select 5 golfers and 1 standby golfer for their team. There will be a change in the way the prize-winning teams are decided; in this Competition, this will be based on the lowest score achieved by the best 3 players on each team. Entries will cost €10, full details and rules of the competition are here:

LUCAN UNITED FC

Lucan United Fc U17s 2005
Seeking Sponsorship For
2021/2022 Season.

Our newly formed u17s 2005 DDSL team are seeking sponsorship to facilitate the purchase of match day kit, footballs and training aids.

During the COVID-19 extended break, our match day gear is now too small so we need to fully re kit our team in preparation for the big kick off in August.

Our club has recently been awarded the FAI Club Mark Player Development Centre award which is an award for grassroots clubs based on best practice in management and administration. We are also an official club partner of Shamrock Rovers FC. Through kit sponsorship, this is an ideal platform to advertise your company not only locally but across the wider Dublin area.

We are seeking sponsorship for the following items:

Match Days kit (jerseys, shorts, socks)
Footballs
Training Aids including First Aid kit

If you are interested in helping the club, please contact our club PRO Michael Wall (wallmmichael@gmail.com) and he can arrange formal quotes for the required equipment.

Thanks in advance.

Na Gaeil Óga CLG

Fáilte chuig an Nuachtlitir is déanaí ó Na Gaeil Óga, áit a gheobhaidh tú an t-eolas is déanaí faoi gach rud atá ag tarlú inár bpobal bríomhar.

Peil na mban

Na Gaeil Óga 2-10, Réaltaí na hÉireann 3-06 D'éirigh leis na mná bua tábhachtach a fháil i gcoinne Réaltaí na hÉireann i gcluiche chrua an tseachtain seo caite. Thosaigh Réaltaí níos fearr ach tháinig na mná ar ais tar éis an sos uisce. Ní raibh ach cúlín amháin idir na foirne ag leath ama. Lean na mná ar aghaidh go láidir sa dara leath ach tháinig Réaltaí ar ais sa chluiche agus le 3 nóiméad le dul, bhí na foirne ar chomhsóir. Sa nóiméad deireanach, ba í Éadaoin Ó Snodaigh a sheas suas agus a thapaigh an deis deireanach chun an cúlín buachach a aimsiú dúinn. Tá moladh mór tuillte ag Éadaoin, an imreoir is óige ar an bhfoireann! Tháinig scóranna tábhachtacha ag tréimhsí tábhachtacha ó Emma Gilsenan le 1-02, Emma Rogers le 1-01 agus Bairbre Ní Chonchúir le 0-02.

Buachaillí 2010 - Iomáint

Thug buachaillí 2010 cuairt ar Chill Chóca i gCill Dara ar an gCeadaoin seo caite do chluiche iománaíochta. Faoi theas na gréine thug buachaillí BhÁC a dtaispeantas is fearr don bhliain i gcoinne foireann láidir, sciliúil.

Bhí idir scil agus ráta oibre le feiscint ar fud fad na páirce agus an cleachtadh breise ar fad le brath. Na himreoirí ab fhearr do Na Gaeil Óga ar an lá ná Caolin & Aaron Reilly a d'oibrigh go chrua i lár na páirce agus Liam de Róiste agus Charlie Ó Murchú a mharcáil go diongbháilte ar chúl.

The 2010 boys travelled to Kilcock last Wednesday for a hurling game. Under the scorching sun, the Na Gaeil Óga lads gave their best performance of the year so far against a strong, skilful team. Their skill and work rate were evident all over the field. Caolin and Aaron Reilly worked very hard in the middle of the field while Liam de Róiste and Charlie Ó Murchú were very tight markers at the back.

Foireann Iomána (A)

Lean an chéad foireann iománaíochta lena n-aistear sa tsraith ar an Domhnach i bPáirc Naomh Cairiona nuair a thug siad aghaidh ar Gaeil na Tríonóide. Bhuail Na Gaeil Óga 4-14 go 1-10. Bhí Riche Peavoy an-stuama ag uimhir 3 agus Brian Moran i mbarr a réime i lár na páirce.

Conleth McGrenaghan agus Eoghan Mac Liam is mó a sheas amach sna tosaithe.

Foireann Iomána (B)

Dé hAoine seo caite, chuaigh an dara foireann iománaíochta chuig Glasnaíon don cluiche in aghaidh na Fianna. Ar thráthnóna a bhí an-te ar fad, bhí sár-chluiche iománaíochta ann. Le críoch an-láidir, d'éirigh le leaids NGÓ an cluiche a chothromú. Fuair Liam Hartley agus Seán Quinn na cúl agus d'imir Kevin Roche, Aidan Whelan agus Killian Everard an-mhaith freisin.

Cailíní F8

Bhí na cailíní (F8) iontach maidin Dé Domhnaigh in a gcéad cluiche! Idir imreoirí & tuistí, bhí atmaisféar den chéad scoth amuigh i gCluain Tarbh don cluiche i gcoinne Scoil Uí Chonaill. NGÓ Abú!!

The under 8 girls gave an impressive display in their first game on Sunday in Clontarf. Players and parents helped to generate an excellent atmosphere in the match against Scoil Uí Chonaill. NGÓ Abú!!

Rooting through our archives, we came across some memorable photos from way back.

Time was when summer projects were the highlight of the season, and boys and girls from 4 to 16 took part in all sorts of activities over the four weeks of July, the generosity of volunteers making it all possible.

Left: This happy group gathered for one of the many outings in 1985 – Note St. Patrick’s Church under construction in the background.

A few years later, in 1990 (*the clue is in the T-shirts!*), this lot visited the **Butterfly Farm** in Straffan. *Back:* Seonaidh Ryan, Claire Mulhall, Sinead Torsney, Niall Cusack. *Front:* Joy and Lee Coyle, Declan McManus, Paul Torsney, Anne Marie Curtis, Scott Curtis and Robert Fitzgerald.

Orienteering in the Phoenix Park, in the mid-1990s. Volunteers take a break with some of the smaller kids, while cool teenagers, Brian Carroll, Terence Phelan, Martin Fitzgerald and Liam Mulhall were looking cool!!!
