## Look out for one another!

This summer holiday time is filled with expectation for ourselves and for one another in a way similar to Christmas. We look forward to some free time, some more family time, some different activity or place and rest. However, the reality is often different, as we can see for those who might be dependent on now cancelled Aer Lingus flights to get away or receive friends or family members, or for those for whom extra family time or free time might be perceived as a nightmare rather than a dream. The common greeting to one another to enjoy the holidays or the question enquiring about where one is going away, can place a burden of unreal expectation on individuals who cannot get away or are facing inner turmoil that prevents them from being happy-clappy about the idea of holidays.

Facing into holidays is a bit akin to standing on a train platform waiting to get on a train. There is a gap between the platform and the train as there is a breath of space as one looks towards holidays or a break from routine. In order to step from the platform safely onto a carriage that will always have some motion, except when at the terminus, requires stability and wellbeing, and sometimes courage. For those with stable footing in life currently, the gap and the motion won't even be noticed. Similarly, those who stand on the edge anxiously may also not be noticed and may be in danger.

During these gap times, it is important to be alert to how people are and to look out for those who are tentative, anxious or struggling. Asking for help is not always easy, and the source of help is usually more easily seen by those whose eyes are raised in welcome anticipation of the day. While those in need become even more invisible in times when many around them are caught up in excitement.

Mental health or ill health is not seen like a broken leg, but can be more disabling and limiting. It is worth looking into the eyes of those whom we encounter so that they need not be alone at a gap moment. Anyone can be struggling at any time for no apparent reason, including the seemingly strong ones!

### Disabled Person's Parking Permit

You can apply for a parking permit to allow you to park in disabled parking spaces in Ireland and the EU if you are a person with severe restricted mobility or are certified as blind.

The permit is available if you are a driver or passenger of a vehicle. It is valid for 2 years from the issue date.

The scheme is run in Ireland by the Disabled Drivers Association of Ireland (DDAI) and the Irish Wheelchair Association (IWA).

It costs €35 to apply and you can apply online to the IWA or the DDAI. They will ask you some questions to check if you qualify and then send you an application form by email or post.

The parking permit is known as the Disabled Person's Parking Card or Permit and the EU Parking Card for People with disabilities.

### Check if you qualify

You can apply for a card if you are a person with severe restricted mobility or are certified as blind.

*You will need one of the following:*

Have your medical practitioner or consultant certify that you meet the medical and mobility criteria.

Hold a Primary Medical Certificate. If so, you will automatically qualify, but you still need to apply for the card.

Be certified blind by Vision Ireland (formally National Council for the Blind), a GP, Ophthalmologist or Optician. You will still need to apply for the card.

You can check if you are eligible on the Disabled Drivers Association of Ireland website or the Irish Wheelchair Association website.

### How to apply for a Primary Medical Certificate:

You must apply for the Primary Medical Certificate through your Local Health Office. A Primary Medical Card is very useful as you can use it for other related benefits such as to exempt yourself from paying VAT, motor tax and Vehicle Registration Tax.

### How to use the Parking Card

You can use the card in any vehicle you are travelling in, either as a passenger or driver. This means you can bring the card with you and display it in the vehicle that you are driving or travelling in. You can park in assigned disabled person's parking spaces. These spaces have the wheelchair symbol painted on the ground or have a sign with a symbol displayed.

### How to display your Parking Card

You must have a valid card displayed on your vehicle windshield to use a disabled parking space. The card will show your signature and photograph.

**More information** is available on our website including parking offences and disabled parking spaces and using the card if you are travelling abroad.

**Legislation:** The law for the disabled parking card scheme is in Section 35 of the Road Traffic Act 1994 and SI 182/1997 Road Traffic (Traffic and Parking) Regulations 1997.

### Depressing is right!

Depressing weather!

Depressing national and world-wide news!

It's getting harder to get up in the mornings.....

Still we're doing a lot better than most of the world!

**Big Well Done** to one particular group of people this week! Some schools in our area are hosting July Provision for children with special needs, and the teachers and SNA's involved deserve special commendation for making such a difference to these children's and their families' lives.

**Green Bins and what's ahead!** Let's hope that the rumours regarding price hikes with our green bins are only rumours. It seems that the recycle firms are losing out on lucrative profits from cans and plastic bottles, since the introduction of the recycle machines in the supermarkets etc.....

**Another shade of green is Aer Lingus!** Very hard luck on anyone caught up in this dispute, after booking those long looked-forward to holidays. Hopefully it will be solved very soon.

**Our Dubs Footballers** ended this year's journey last Saturday, but all is not lost as the Dubs Ladies take on Galway in their quarter final this Saturday at 7.30.

**Good luck to Lucan's Abby Shiels!**

## Lucan Demesne in need of some TLC!

What's happening to the lovely wood sculptures in Lucan Demesne?

The beautiful mushrooms, and acorn leaves are simply rotting. The wood is soft to the touch all over.

Clearly these items cost a good sum of money when they were installed – one would think that regular maintenance would follow, but it appears that they were left to the weather without any maintenance.

On a happier note, it's great to see those young oak planted a few years back, develop into what are becoming great trees along the pathway. They'll be there when we're all gone!

The nearby orchard and beautiful Rosebay Willow Herb catch the eye at the moment too.

And what about this fellow – a Cormorant sunbathing on a sleepy afternoon....

## A dip in the archives.....

### More from 1984

29<sup>th</sup> January 1984: “**TELECOM**

The new Semi-state body to run the Irish telephone system and related services was launched with great publicity. A new image of speed, efficiency and value was projected nationwide.

Our local sub-postmaster, Carey’s Newsagents, agents of Telecom, find that the new image, wherever it comes from does not come from improvements in the working of the system.

1 – The Old P & T installed a phone when the shop was appointed last year, but **they could not give them a line!** The Lucan Sub Post Office still has not got a line – but it has a phone.

2 – The P.O. got permission to use the shop phone for telegrams and Post Office business, which means that the phone is often not available for the shop.

3 – Since the 1<sup>st</sup> of January the SHOP phone is OUT OF ORDER!

No one has come to look at it. Telegrams have to be brought out from Dublin by motorcyclist.

Careys have made several reports and that failing have brought the matter to the attention of public representatives.

No amount of expensive advertising will substitute for sending the men out to mend the phones when they break down.”

13<sup>th</sup> May: “**The Coffee House**

A centre of community life in old time Lucan, an historic landmark, the Lucan Coffee House, has been demolished this week by order of Dublin County Council.

*Kitty McGee let go of me knee  
I want a cup of the Co-op tea*

On New Year’s Eve Mr. Frank Murray’s Fife and Drum Band paraded to the Leixlip Chapel and back to be greeted at five to twelve by Stephen Glasson ringing a handbell and announcing a late night dance on the road outside the Coffee House to the strains of the above tune. That was 60 years ago. The Coffee House had housed the beginnings of the Trade Union in Lucan. It was to be the first Vocational School under M. O’Clery.

The Coffee House was built over a hundred years ago by the Hill and Shackleton firms in the hope of challenging the public house as a social centre for Lucan men.”

*Note:* The Coffee House was situated just across the Liffey Bridge, where the new road goes up to Laragchon, and was beyond repair by the time the structure was demolished.

### Lucan Newsletter Outlets in 1984

*Many since gone to their eternal reward.....*

### 4<sup>th</sup> March: "Unemployment

At present 627 people are out of work in Lucan, 452 men and 135 women and this would represent approximately 16% of the working population of the area. Presently it is not programmed to provide any Job Creation Projects for the immediate Lucan vicinity....."

## GAA

1984 was the centenary of the GAA

The All Ireland Hurling Final was played in Thurles, with **Cork** beating **Offaly** by 3-16 to 1-12.

The Football Final at Croke Park between **Dublin** and **Kerry** saw the Kingdom take Sam with 0-14 to 1-6.

### 15<sup>th</sup> July: "GAA gives the town a night-out

An outrageous old-fashioned whoop-up of a night out was enjoyed by half of Lucan at the Spa on Monday night. All the oldest swingers in town were there and some of the ladies were done up too.

The recipe was the unimaginable Jimmy Magee's (£500,000 for charity in 241 Mondays in 19 years). All Star football game and late night cabaret...."

## Lucan Harriers

While the new athletics track was under construction, the club were very busy with events in all age groups.

Above: An Under 10 Girls Team.

Back L-R: Emma Carroll, Barbara Sullivan, Eimer Ryan.

Front L-R: Marie Stanley, Mandy Doyle, Lisa Ryan.

Somebody said that it  
couldn't be done,  
But he with a chuckle replied  
"Maybe it couldn't" but he  
would be one who wouldn't  
say so 'til he tried.

So he buckled on in, with the  
trace of a grin on his face.  
If he worried, he hid it.  
He started to sing as he tackled the thing that  
couldn't be done,  
And he did it!

## A New Garda Station

A new Garda Station was under discussion, much to the anger of many locals given the historic nature of the old building and court house.

However, it was decided to demolish the old buildings, and rebuild the facade to look more or less the same as it did.

### 15<sup>th</sup> July: "New Clubhouse for Lucan Golf

Admirers of the lovely Lucan Golf course are delighted to see the new Clubhouse taking shape on the skyline beyond the tuber Lane cross on the Celbridge Road.... The new clubhouse is perfectly situated on one of the best viewpoints on the course, behind the 7<sup>th</sup> tee."

## City Traffic Plan

We welcome the efforts of Minister Higgins to delay the city traffic plans to ensure they get it right. The truth is not fully revealed in these proposals. They intend to take almost one thousand bus trips per day and Taxis from Dame St. and put them on the Quays and on Luas line on Nassau St. for no extra bus passengers, this makes no planning sense.

This would choke up the whole city all for a few flowerpots etc. This is the real problem, using the car as an excuse to get their way. Most car users are already severely restricted from using the city centre. Pushing the problem somewhere else is not the answer, this will further choke other areas of Dublin with car congestion, further add to traffic on overloaded M50 at peak times.

It will also double or treble length of journey times for some essential car users crossing the city. It is essential to put a suitable public transport plan in place for the city centre, the simple Bus Contraflow on the Quays is the only one. If someone has a better one let's hear of it.

## POLITICAL NOTES

### Gino Kenny TD - People Before Profit

**Lucan Lodge Nursing Home:** In recent months there has been much speculation about the long-term future of Lucan Lodge Nursing Home. Presently the HSE has taken charge of the running of the nursing home while other alternatives are sought. There continues to be over fifty residents residing in the facility. Unfortunately, the HSE has now stated that Lucan Lodge must decant all residents to another facility by the end of July. This comes as massive disappointment to all those that continue to campaign to keep the Lucan Lodge open. I have raised this issue with the HSE and the Minister to see if a resolution can be found to prevent all residents having to vacate the building. The HSE must do everything possible to find a solution for residents, staff, and family members in the coming weeks.

**First Home Scheme:** Good news for first-time buyers in South Dublin! The price ceiling for the First Home Scheme has been raised, allowing

more people to qualify. This scheme offers an equity stake of up to 30% in the purchase of a new build or a second-hand property being purchased by a tenant from their landlord.

**Lucan Road:** Concerns about cars parking on the footpath on Lucan Road will be discussed at the Traffic Management meeting in July.

**AGP:** I've requested the council's help to remove large ivy stumps on one of the lanes in AGP.

**Willsbrook:** I've asked the council to inspect the footpaths following concerns raised by residents.

**Additional Gardaí Welcomed:** I was pleased to hear that from next week, additional Gardaí will be joining the Lucan, Ronanstown and Clondalkin areas. Following last week's attestation in Templemore, Lucan are set to welcome three new Gardaí, Clondalkin five and Ronanstown four. These additional resources will undoubtedly go a long way towards creating safer communities for all local residents.

### Ice Cream Fun Day for Down Syndrome

**Ireland:** I was delighted to attend the Ice Cream Fun Day for Down Syndrome Ireland held at Ballyowen Community Centre on the 28<sup>th</sup> of June. It was great to see Fine Gael Cllr. Caroline Brady and local Gardaí also in attendance. Well done to Emma Griffin for her efforts in organising this event for a very worthy cause.

**Local Tree enthusiasts wanted!** Are you willing to roll up your sleeves and get involved in a mini woodland planting adventure with the South Dublin County Council! The Council is on the lookout for volunteers to join in the soil-prepping fun on the 26th and 27th of July at Griffeen Valley Park. Your mission, should you choose to accept it, involves laying down cardboard over soft vegetation and covering it with a blanket of mulch. The mulch will be supplied by SDCC but volunteers are being asked to source cardboard from local businesses which will then be collected by the Council in advance. Email Eunan O'Donnell at [eodonnell@sdblincoco.ie](mailto:eodonnell@sdblincoco.ie) if you, or your group, want to be involved in this exciting initiative.

## Cumann na Sáirséalaigh Leamhcáin

**Lotto:** We had no winner of last week's lotto jackpot of €3,800. The Numbers were **8, 10, 19, 23**

The lucky dip prizes go to Busby (c/o S McCaffrey), Tony Rigney, Aoife Mckearney, Ella Dawson, Ann Power.

This week's Lotto will be for a jackpot of €4,200. The draw is sponsored by Clandillon Motors and will be led by Cormac Gordon.

**Planning Permission:** We are delighted to announce that planning permission for our new ball wall and the extension of our juvenile pitch into a full-size all-weather pitch has been submitted to South Dublin County Council. The planning permission details have been posted at the entrance, exit and turn into the clubhouse. Lots of hard work and fundraising over the years has gotten us to this stage in our development plans. A special word of appreciation to Colm Farrell who has worked tirelessly to get these plans submitted. These changes will benefit all our members in our ever-growing club.

### Hurling

This was a very significant weekend for Lucan adult hurling as three teams gained promotion in the league. Pride of place goes to the Intermediate team who were crowned Division 4 champions after a hard-fought win over Crumlin. They will play Division 3 hurling next year - the first time a Lucan second team played at this level in hurling. Our Junior A's are on the up as well gaining promotion to Division 5 for next year, as Division 6 runners up. Their key result was a narrow midweek win over Raheny who held on to top place. Lucan completed their campaign with a walkover at the weekend. Our Junior B's also secured promotion and finished their campaign with a good win away to Craobh Chiarain.

Our seniors completed their league campaign with a 1-point loss away to Ballyboden. This was a very competitive encounter played in very wet conditions and Ballyboden claimed the two points, and second place in the League, with a goal with the last puck of the game. Nevertheless, it was a good league campaign for our seniors,

with several new players blooded, and full flexibility given to the Intermediates to enable them gain promotion.

The progression of our teams up the league Divisions builds on the progress made by hurling in the Club over the last three decades in particular. The winning of the Clubs first Intermediate Hurling championship, to go senior for the first time, back in 1999 was a key foundation on which the subsequent progress was built. Next Saturday night, there will be a special event in the Clubhouse to mark the 25th anniversary of that historic success. There will be a reception for the team and their invited guests from 7pm and all members are welcome to join from 9.30pm.

Pictured below our Intermediate Hurling team and management.

**Summer Camps:** Our summer camps are now open for registration. These camps are open to both members and non-members who are in primary school (either starting in September or just finishing). All camps will be dual sport (Football and Camogie/Hurling). Make sure to register soon for the club camps as places are limited. Places can be booked via the club website by search Lucan Sarsfields summer camps. Please see below for camp dates:

Campa Samhraidh: 22<sup>nd</sup> – 26<sup>th</sup> July  
Club Camp: 5<sup>th</sup> – 9<sup>th</sup> August (This camp includes a trip to Croke Park!)  
Club Camp: 12<sup>th</sup> - 16<sup>th</sup> August

Best of luck to Abby Shiels and the Dublin Ladies footballers in their All Ireland ¼ final this Saturday against Galway in Parnell Park.

## Na Gaeil Óga CLG

Fáilte chuig Nuachtlitir Na Gaeil Óga, áit a bhfaighidh tú an t-eolas is déanaí faoi gach rud atá ag tarlú inár bpobal bríomhar.

### Buachaillí F12

Cluiche láidir iomaíoch ar maidin i bpáirc Bhaile an Phóirtéirigh, i gcoinníollacha fliucha agus sleamhna, idir dhá fhoireann a bhí ag féachaint le críoch a chur leis an gcéad leath den séasúr le bua. Bhí Caisleán Cnucha amuigh go luath le cúpla scór ach d'aimsigh NGÓ F12 iad.

D'fheidhmigh na leids go han-mhaidh, ag marcáil a gcuid fear, agus ag bogadh an tsiotair timpeall na páirce. Chosain Luke Hickey, Ruairi Fee, Jack Murphy agus Dara Canning a gcúl chomh maith le haon imreoir idirchontae, agus ghlan Shayne Lynagh gach sliotar a tháinig an bealach dó.

Ghlac Orin Crowe ceannas ar an gcúl agus bhí dáileadh den scoth aige, ach níos tábhachtaí fós bhí roinnt sábhála aige a choinnigh NGÓ sa chluiche.

Bhí cúpla scór tógtha go maith, le Rhys Reilly ag cruthú fadhbanna do líne chúil Chaisleán Cnucha, le cúnadh ó James Hickey agus Evan Foley, rud a d'fhág na leids NGÓ taobh thiar 2-3 le 1-1 ag leath ama.

Thosaigh an dara leath le Caisleán Cnucha ag scóráil ón taobh amuigh, ach bhí na leids tar éis éisteacht le caint láidir foirne ag leath ama ó Paul Reilly, agus thosaigh siad ag ardú a gcluiche agus clár na scór.

Rith Aoidhfin Farelly agus Victor Ó Conchuir lár na páirce, le cúnadh ó Ronan de Paor, a d'imir mar ollphéist inniu. D'imir Donnchadh Büttner cluiche a shaoil.

Sa deireadh ní raibh an t-ádh ar NGÓ cailliúint le cúl agus cúlín déanach á scóráil ag Caisleán Cnucha....an toradh deiridh 4-3 in aghaidh 2-5

### Peil na mBan

NGÓ 3-8 Naomh Maur 2-13

Léiriú iontach ag Foireann Peile na mBan aréir. Bhí spiorad foirne agus díogras le feiceáil san imirt.

Thosaigh an cluiche amach go mall le Naomh Maur chun tosaigh le 4 chúilín, ach ansin le cúlín ó Chaoimhe Ní Mhaolaí agus cúl ó Éadaoin Ó Snodaigh - bhí an troid tosaithe. Bhí cosaint dochreidte le feiceáil le hÉataín Haicéid ag teacht amach leis an liathróid arís is arís eile. Bhí scóráil iontach ó Orlaith Doherty agus Anna Cullen sular séideadh an fheadóg. Ag leath-am, an scór a bhí ann ná NGÓ 1-4 Naomh Maur 1-5.

Ó thús an dara leath bhí an chosaint ag obair go dian arís, le taispeántais iontacha ag Muireann

Carton agus Arlene Conway, bhí an liathróid ag teacht amach go hOrlaith Doherty a rinne neart reatha suas síos an pháirc. Bhí na tosaithe ar thine sa dara leath le cúl agus cuilín ó Anna Cullen agus cuilín ó Jenny Curtin. Díreach cúl a bhí idir na foirne anois. Ansin le cúl gleoite ó Éadaoin Ó Snodaigh ó chic saor bhí chomhscór ann le 5 nóiméad fágtha.

Bhí ar an gcosaint an-iarracht a dhéanamh chun na scóranna inár gcoinne a sheachaint. Faraor ní raibh an t-ádh linn, agus muid ag imirt gan aon mhná ionad, ach beidh lá eile ag an bpaorach!!!

### Foireann Baile Átha Cliath

Comhghairdeachas mór le Anna agus Éabha ón bhfoireann F15 Na Gaeil Óga, a bhí ag imirt leis an bhfoireann Baile Átha Cliath inniu thíos i nGaillimh.

### Cailíní F13 agus F15

Bhí seisiún traenála iontach againn tráthnóna inné le traenálaí an-speisialta... @abbyshiels\_ , cúl báire d'fhoireann na mBan Átha Cliath. Bhí sé go hiontach éisteacht le Abby agus í ag roinnt a saibhreas eolais agus saineolais leis na cailíní faoi 13 agus faoi 15. Bhain na cailíní taitneamh as roinnt píosais freisin chun deireadh séasúir iontach a cheiliúradh!

**Resurfacing at Foxborough:** Before the local election, I campaigned for, and secured, funding to resurface the stretch of road between the R136 junction at Foxborough and Foxborough Road. This work commenced this week and will be welcomed by all users of the road. Thanks to local residents who worked with me on getting this over the line.

**Lucan House:** The Council formally took ownership of Lucan House last week and now preparations will begin for development of the masterplan for the use of the house and grounds. Proactive preparation for this is important and I am happy to work with local groups to advise and assist them in advance of the Council's public consultation. Please contact me if I can help.

**Esker Cemetery:** I have requested installation of an additional water tap in Esker Cemetery, for the convenience of visitors to the graveyard.

**Griffen Valley park mini woodland-call out for volunteer groups:** South Dublin County Council are undertaking a mini woodland planting project on two sites close to each other in Griffen Valley Park.

Volunteers are required for the soil preparation on **Friday the 26<sup>th</sup> and Saturday 27<sup>th</sup> July**. This involves placing cardboard over soft vegetation and covering this cardboard with a thick layer of mulch.

The vegetation will have already been taken down to ground level by council staff. Volunteers are also asked to source cardboard from local businesses. This cardboard can be collected by SDCC staff. The mulch will also be supplied by SDCC.

## St. Mary's Camera Soirée

The Camera Soiree is on its “summer” holidays until early September and we hope to mount our 12<sup>th</sup> photographic exhibition in the Parish Centre around the middle of November. (Gosh how time flies!)

Despite being on holidays, the photos keep coming in. This week we stay in France as Donal has submitted some photos taken in Nîmes and of the Pont du Gard in the Occitanie region of Southern France.

Nîmes has been dubbed the most Roman city outside Italy as it has a rich history dating back to the Roman Empire. The Arena of Nîmes was built around 100 AD, shortly after the Colosseum in Rome (72AD – 80AD) and is one of the best-preserved Roman amphitheatres in the world. In its day it could hold 24,000 spectators and was one of the biggest arenas in the Roman Empire. Today it is used for sporting events and concerts at regular intervals.

The Pont du Gard is an ancient Roman aqueduct bridge with three tiers of arches that was built in the first century AD to carry almost 37 million litres of water a day over 50 km to the fountains, baths and homes of the citizens of Nîmes. It is over 48 meters high! It is one of the best-preserved Roman aqueduct bridges and was added to UNESCO's list of World Heritage Sites in 1985 because of its “exceptional preservation, historical importance, and architectural ingenuity”.

Conor seems to be off somewhere abroad by boat as he has submitted photos of Dublin Port from the seaward side.

*Stay safe until next week!*
