## **The Church is not a museum for saints but a hospital for sinners**

We had a family wedding earlier this year and I was delighted to celebrate the wedding and assist the bride and groom in organising the ceremony. They went to a great deal of effort to plan readings, prayers of the faithful, flowers and all other aspects of the ceremony as well as making sure that as many of their friends as possible were involved. They also organised a very enjoyable wedding reception which had a great focus on attention to detail.

I thought of this when reading today's Gospel. The King had similarly put in a great effort to have an elaborate wedding for his son but, to his dismay, many people who were invited did not turn up. So, what does he do? Go ahead without them? No, he decides to invite people from the highways and byways who would not normally be included on the guest list. And so, it is for the church. Many of the Jewish people chose not to accept Jesus's invitation, so he then goes and extends it to others, and let's remember that we are their descendants.

Who do we invite to the wedding feast? Who are the people who are currently outside of our Christian community that we might like to include? Perhaps young people, young families and those who are excluded and marginalised.

We should ask how we can reach out individually and collectively as a parish community. Sometimes we think that great strategies are needed but often all that is needed is a simple personal invitation. We need to be a welcoming, inclusive, and friendly community who respond to the heartbeat of the Gospel just as the wedding guests did in our Gospel reading today.

Pope Francis once described the church as not a museum for saints but a hospital for sinners. I think this is the point that Jesus wants to make in our reading today. Let us pray in the coming week that we will be open to God's invitation in the different circumstances of our lives and that we will be able to respond to it.

**Apologies to the sender of last week's letter re

### Manmade Lakes in Griffeen Park

I was wondering if a question could be put to the  
local councillors to try and get some life buoy  
rings put in place or a small bit of low fencing/  
rope around the perimeter by these lakes.

The water is quite deceptive from the  
path with the wildlife growth and I  
feel that as a matter of safety it would  
be a benefit to get these in place.

I have over recent weeks on two occasions seen  
owners struggle to get a dog out and I would fear  
that a young toddler might get into difficulty.

While I know the water depth is not deep, we all  
know that it only takes a little bit of water for a  
child to get into difficulty.

### October gave a party

The leaves by hundreds  
came -  
The Chestnuts, Oaks and  
Maples,  
And leaves of every name.

The Sunshine spread a carpet.  
And everything was  
grand,  
Miss Weather led the  
dancing,  
Professor Wind the band.

The Chestnuts came in yellow,  
The Oaks in crimson dressed;  
The lovely Misses Maple  
In scarlet looked their best;  
All balanced to their partners,  
And gaily fluttered by;  
The sight was like a rainbow  
New fallen from the sky.

Then, in the rustic hollow,  
At hide-and-seek they played,  
The party closed at  
sundown,  
And everybody  
stayed.  
Professor Wind  
played louder;  
They flew along the ground;  
And then the party ended  
In jolly "hands around."

## Coláiste Phádraig CBS

**Open Night:** There was a fantastic turnout for Coláiste Phádraig's Open Night last Thursday 5<sup>th</sup> October, with well over 700 parents/guardians and prospective students in attendance on the night. They got to meet the staff and teachers, visit the classrooms and check out the fantastic array of modern, state-of-the-art facilities that the young students may soon get to enjoy.

A big attraction on the night was the new school building which was officially opened in a lovely ceremony held at 6pm in the new school library. It was attended by lots of special guests, including past-pupils and former teachers, management and admin staff of the school, parents, current students, members of ERST (Edmund Rice Schools Trust) as well as our recently retired principal Mr. Brady. The new building will allow us to cater for the huge demand for places in the school and help alleviate the pressure on families seeking secondary school places in the Lucan area.

The building was given a special blessing by Fr. Ubaldo (from St. Mary's Church, Lucan) before the ceremony of the official opening of the new building took place. There were 7 different coloured ribbons in-keeping with the theme of the occasion which was "Partnership and Inclusion". 1<sup>st</sup> yrs Cian McCarty and Adeolu Adebomi cut the 1<sup>st</sup> two ribbons. Mr. Emerson, a former pupil and current teacher, cut the 3<sup>rd</sup>. Mrs. Nwoke, a parent of two current pupils, cut the fourth while Ms. O' Leary cut the 5<sup>th</sup>. Rose Martin, former long-serving secretary in the school and a current member of our Board of Management, cut the 6<sup>th</sup> while Gerry Berry from ERST cut the final ribbon and declared the new building officially open. There was plenty of food and refreshments for all afterwards, served by our wonderful Parents Association. There was no time to mingle for too long though as the Open Night began at 7pm with the car-park almost full by this time already!

The parents and children were very hugely impressed with the airy, spacious, modern classrooms and the fabulous library that has been stocked with hundreds of new books in different languages (to cater for the diverse nature of our student population). A large number of our current students were also in attendance for our Open Night and they proved to be excellent ambassadors for the school as they spent time engaging the primary school students in the different subject areas and made sure they felt welcomed and valued.

**English:** All 6<sup>th</sup> yr Higher Level English students attended a poetry workshop in the school library last Tuesday with award winning Clondalkin poet Colm Keegan. One of his most engaging poems is entitled "Ireland is..." where he describes his experience of living in Dublin in the modern age. He opened the workshop by getting the students to compose their own Ireland is... poems and he got some really interesting and well-written responses from our lads. The students then moved on to develop their own poetry and some very bravely offered to read the poems out in front of the group. Colm was really impressed by the students' honesty, skill, creativity and passion for writing.

**Football:** Our 2<sup>nd</sup> yr football team won their opening Dublin League group match 7-09 to 5-06 against Kingswood CC last Wednesday. Max Campbell and Jack McCarty scored two goals apiece while Aaron Wall, Daniel Godson and Hugh O' Neill each scored a goal to help Lucan to a deserved victory.

Our senior footballers were beaten 4-16 to 1-06 by Ballymahon, Longford on Monday in their 2<sup>nd</sup> and final Leinster League group match. Tyler Doherty scored the Lucan goal with Luke McGovern (0-3), Michael O' Brien (0-2) and Killian Costello (0-1) getting the other scores. The team have now been eliminated from the competition but they still have the Dublin League to compete in.

**Basketball:** Our 16 basketball team were beaten 63-49 by Adamstown CS in their 3<sup>rd</sup> Eastern "A" League group match last week, which meant that they can no longer finish in the top 2. They can however still qualify for the Plate competition with a victory against Coláiste Chiaráin in their final game. Our u19s gained their 1<sup>st</sup> win of the group stages as they defeated Adamstown 60-57 in a dramatic and exciting encounter with Lewis Ajinakou scoring an impressive 30 points. They too face Coláiste Chiaráin this week in their 4<sup>th</sup> and final group match.

## Tidy Towns Competition Results 2023

The results of the National Tidy Towns Competition 2023 were announced last Friday. Two of our members attended the event which took place in Croke Park. Abbeyleix is this year's overall winner with a score of 376 marks. So how did we in Lucan fare? Well we achieved 354 marks which was an increase of 12 marks on last year. Once again we were awarded a bronze medal.

We were very pleased with the detailed report which we received which indicated that the adjudicator/s had really spent time in and around our village. The comments were constructive and informative. There were many positive comments which we thought warranted an even higher score than we achieved. We are in the process of analysing the results, going through the report in detail. We will then work on a plan for 2024.

### *Here are some of the adjudicator's comments:*

We are delighted to welcome the hardworking tidy towns committee from Lucan to the 2023 competition. It is pleasing to see that the 5 members on your committee are assisted by the further 15 volunteers but noting that Lucan is a large town, a higher level of engagement might be expected. Consider going on a recruitment drive as bigger numbers of committee members and volunteers would enable you to tackle both a greater range of projects. It is great to see that there is a junior tidy towns group in Lucan and that local TY students regularly get involved in planting and other projects. Consider delegating responsibility for the monitoring and maintenance of some of your projects to them as this will enable you to spread your workload and to foster ownership of your projects to younger age groups in your area.

It was a pleasure to visit Lucan and see its many attractions that include its riverside location, fascinating heritage buildings and attractive open spaces. Aside from the magnificent single span Liffey bridge, there were lots of fine examples to be seen in your urban village centre with the Muintir na Tire Building, the Methodist Church, the School Masters House, the Garda Station, the Presbyterian Church ..... all catching our eye.

We would also like to compliment the many shops and local buildings in Lucan – all of whom appeared to have made notable efforts to ensure that their buildings looked their best for adjudication. Unfortunately, it is not possible to list all good examples, but a number stood out and they include; Courtneys (with its distinctive thatched roof), Dublin Formal Wear, Ryan Village Café, Sabbatinis, the River Café, the

Lucan District Credit Union, Seasons on the Weir Restaurant, the Artisan Pantry, Fresh & Juicy, Femme Fatale and Power & Smullen.

Given that there is such an abundance of high quality heritage structures and buildings in your area, we agree wholeheartedly with the suggestion in the 2022 adjudicators report that a heritage trail should be developed as a means of raising awareness of them among local residents and visitors. Perhaps you could advise us next year if this is under consideration?

Our visit revealed that there are many high quality landscaping schemes in Lucan and the work on entrance planting on approach roads is particularly impressive. The landscaping on the eastern approach (i.e. coming past the Hospital) was a highlight of our visit. We enjoyed seeing the entrance planting at the welcome stone here with shrubs, montbretia and verbena. The long shrubbery bed beside St Edmundsbury Hospital looked lovely and we admired the wonderful variety of plants that a mix of shrubs, orpine, wallflowers, loosestrife, lavender, hydrangea and common daisies.

The extensive shrubbery bed opposite Ballydowd Grove looked great with its roses, hebe, shrubs, orpine and red claw while the large planted bed opposite Roselawn was among the most impressive in your area – with its wildlife area (complete with bug hotel) and plant species that included seaside daisies, hebe, sage, lambs ear and lavender.

*Report continued in next week's issue!*

## Hurling

A very positive weekend for our minor hurlers with all three teams progressing to the championship quarterfinals. The Minor As had a big win over St Jude's, while the Minor Bs were comfortable 9 point winners over Castleknock. Both teams top their group with three wins from three. The Minor Cs didn't have a game this weekend but results elsewhere ensure they progress as group runners-up. Next Sunday is a big day of championship action. The Junior As play Whitehall in the Junior B Championship semi-final at 11am on Sunday morning at 12th Lock (tbc). Then all roads lead to Parnell Park in the afternoon for the senior championship semi-finals. Lucan play Na Fianna at 4pm, with the other semi-final preceding that at 2pm. We would ask all members and supporters to come along and provide the "16th man" to help get our lads into the Championship final. Our Junior Bs and Cs are also in championship action on Sunday afternoon against Na Fianna (home) and Garda (away) respectively.

**Fireworks in Parks:** I am extremely concerned at the increase in fireworks being discharged in our parks over the past few weeks. This is highly irresponsible and dangerous behaviour, especially when residents and families are enjoying our public spaces. I have raised it directly with the Superintendent in Lucan Garda Station, having observed it myself in Hermitage Park last week to request further Garda visibility in our parks. If you observe people engaged in this, please contact your local Garda Station.

**Lucan Special Olympics:** Well done to Lucan Special Olympics Club on the great crowd at their annual fundraiser table quiz! I was happy to be able to sponsor a spot prize on the night!

**Leaf Collection:** The Council is providing a leaf collection service from now until January 2024 (including a road sweep and collection of bagged leaves).

### Further delays to the Lucan Swimming Pool:

It was announced this week by SDCC that there will be further delays to the completion of the Lucan Swimming Pool. The council stated that the facility will be ready in the first quarter of next year. This has been a long running saga where the people of Lucan are losing out in the protracted construction of the swimming pool. It's unacceptable and the local authority need to investigate why it's taken so long in the project's completion.

**Budget 2024:** Budget 2024 is a €14 billion package, helping people, families and businesses with the cost of living while setting aside funding for generations to come. Inflation is moderating, but the cost of living continues to rise. Cutting income tax and USC, helping with energy costs, increasing pension and social welfare payments, reducing childcare and school costs and helping business with wages and energy are just some of the measures announced this week. For a full summary of the Budget get in touch.

**Choláiste Phadraig CBS:** I was honoured to attend the official opening of Choláiste Phadraig

CBS new building. This rapid build provides 8 new classrooms, a special educational classroom as well as a fantastic new library. Congratulations to the principal and to the board of management on getting this new building up and running.

**Bus Services – West Lucan:** The National Transport Authority gave a presentation and facilitated limited time for question & answers at this week's Council meeting. I used this opportunity to highlight service deficits felt by residents in Dodsboro, Hillcrest, Woodview, Airlie and Woodview Heights and asked for a commitment to look at service levels here.

**Hedge Pruning - R136 Outer Ring and Adamstown Link Road:** I have repeatedly asked for pruning along the 2km length of Adamstown Link Road and along the R136 Road up as far as Grange Castle Business Park to improve accessible and safer walking and cycling.

**Residents Engagement – Hillcrest:** Together with the Lucan Sinn Féin team, we are back in Hillcrest conducting a courtesy call. Recently, we have spoken with residents on Westbrook Park, Meadowview Grove and Hillcrest Close. If I can be of assistance, please get in touch!

**Ukrainian Modular Housing Plan:** Check my website under "modular" for a very detailed update on the plans for 136 pre-fabricated homes at Backweston near Tubber Lane. People have been asking about the construction work off the Celbridge Link Road for a while now and more information has been made available in recent weeks. These homes are scheduled to be finished by next April, will be of a high quality, well-insulated build and will be in situ for three years under emergency Government legislation. There was a briefing in Adamstown Community Centre on Tuesday for residents living closest to the site and several issues were raised, including the provision of education, childcare and health services for the families to be accommodated here as well as for newer Adamstown residents already waiting for the shortfall in such services to be addressed.

## **Lucan Charity Coffee Morning**

Join Miss Dublin Central Courtney Smith at Kenny's

Local girl Courtney Smith (19) from Lucan (proudly sponsored by Lucan Credit Union) will be hosting a **Coffee Morning Fundraiser in Kenney's Lounge, on Friday, 20 October 2023.**

This event will be held between **1.00pm – 3.00pm** and she would like to invite everyone along to take time out of a busy day and catch up with your family, friends for chats and coffee. Courtney will also be taking part in this year's Runamuck Challenge on Saturday, 21 October where she will be testing her very own Mental and Physical strength and hopefully leaving with a big smile.

Courtney is representing Miss Dublin Central at this year's Miss Ireland Final. Miss Ireland uses its reign to raise awareness and fundraise for charitable causes under the Beauty with a purpose title which is at the heart of the Miss World organization.

In recent years the Miss Ireland Franchise has raised over €300,000 for various different charities such as Temple Street, Laura Lynn, Alzheimer's Ireland, Pieta House and this year they are proud partner with the Julian Benson Cystic Fibrosis Foundation. The charity is raising funds to build a home from home for Cystic families in Ireland. This will provide a safe and warm space for families whilst their loved ones are sick in hospital.

Courtney has also chosen to raise funds for Pieta House, a charity very close to her own heart.

All cash and online donations on the day are very welcome. All proceeds raised will go directly to Pieta House and Julian Benson Cystic Fibrosis Foundation.

## St. Mary's Camera Soirée

We are still trying to resolve the problem arounds exhibition stands so no news yet on the date of our next exhibition. Not wishing to build up the group's hopes but we are pursuing a line of enquiry that might bear fruit and maybe there will be some good news next week.

This week Kay submitted some nice photographs from her garden this time focusing on late autumnal colours. A particularly nice one, not from her garden, was still life of fruit in a bowl!

Joe and Frances seemed to have been competing with each other photographing mushrooms. While the photos are nice the advice of everyone in the group was not to eat them!

Donal had been away in France for a while and this week he sent the group a present of a photograph of some umbrellas. He said that he had been thinking of us and felt that we could have done with a few of these. He was in St. Cyprien, a town with a population of about 11,000 located in the Pyrénées-Orientales department in southern France, adjacent to the northern Spanish border and the Mediterranean Sea. According to Wikipedia St-Cyprien was the site of a camp housing some 70,000 Republican escapees from Spain at the end of the Spanish Civil War.

*Until the next time stay safe!*
