## Fr. Joe Poole CSSp (Sarsfield Park native) on the move .......

In 2009, after a period of several months recovering from what was assumed to be cerebral malaria, I arrived in Ballintubber and Ballymoe parish in Elphin diocese. I volunteered to spend 2 months in a relief role, working for the first time in an Irish Church situation. I left, over a decade later, in 2020!

Looking back, I can say that, facilitated greatly by the people of Ballintubber and Ballymoe parish, rural life in the west of Ireland suited me immensely. Gradually putting in place the basic necessities of parish administration and learning from the experience of my 12 years in Angola, I identified leadership potential in my new pastoral situation. Leadership was easily promoted at parish level but was

complicated by diocesan and institutional structures that were not always life-giving. Joined by John Laizer in the parish some six months after I had begun, I started to think about new spaces to meet parishioners and others who had minimal or no contact with the Church, and how to build trust and a bridge within the community. Playing pool again for the first time since my youth and taking part in social dancing, I got to know people I wouldn't otherwise have known, and celebrated the sacraments with them, including funerals of some I encountered at the Pool table. I went to the local farmers' mart fortnightly, meeting buyers and sellers of cattle and sheep, and eventually getting to understand the mart's intricacies. Spiritans facilitated the celebration of weekly Mass and more in Castlerea Prison, as we opted to be part of the chaplaincy team.

I really enjoyed every aspect of living in Ballintubber / Ballymoe. It gave me back a sense of purpose, confidence as a leader, and an acceptance of the present. The local bishop one day asked if I would consider becoming a priest of his diocese full time, his proposal would have meant my leaving the Spiritan Missionary Congregation that I belonged to. I was glad he asked this question; it helped me to make a decision regarding my future, recognising that what I wanted was to return to work with those who were the poorest and the most abandoned.

On a holiday, I went to meet the Spiritan leadership team in Portugal where I first learnt Portuguese before spending twelve years in Angola from 1995; the Provincial there outlined the diverse range of their activities. It was immediately clear to me that this was where I now wished to work and flourish as a human being.

On leaving Ballintubber / Ballymoe in June 2020, I took time to deal with my own health issues and I have been lucky enough to spend time at home caring for my mother. I had hoped to take up a new appointment in Lisbon as Chaplain to Migrants in early 2021. However, like everybody else I have had to wait for vaccinations. Grateful for the experience that I have had to date in both Africa and Ireland, I now write these few words from Lisbon, at the beginning of a new adventure working with Migrants.

## The Clock

The clock of life is wound but once And no man has the power To tell just where the hands will stop At late or early hour To lose one's wealth is sad indeed To lose one's health is more To lose one's soul is such a loss As no man can restore The present only is our own Live. love, toil with a will Place no faith in "tomorrow" For the clock may then be still.

Getting back to our routines once again, after a pretty good summer weather-wise.

We were blessed with beautiful weather this past week, and a walk in any direction will show

that things are still looking good around Lucan – in no small way due to our Tidy Towns group, and SDCC Parks Dept.

Blooming good walk! A ramble in the Esker area finds these wild flowers still blooming well, and there are even a few Sunflowers popping up this week. It's brilliant that they are lasting so long.

The nearby Millennium Stone is looking a bit miserable – while the Elm trees around it look good and healthy, the stone itself could do with a bit of TLC, and perhaps restoring the colours to the graphic and inscription.

**St. Finian's Burial Ground** – A tremendous amount of work has been done in preserving the ruins here, but it is very disheartening to see cans and crisp bags strewn on this consecrated ground. A little respect please!

Getting back to our routines in more ways than one now that we have a roadmap for the opening up of things. The national media has all those important dates, and there is a lot to take in. However, at the end of the day, it is up to each one of us to act responsibly.

Leaving Cert Results – By the time most people read this week's issue, the results will be known. Congratulations to all, and if you didn't get what you wanted, don't despair – there will be lots of other options. There is always light at the end of the tunnel!

**Foothpath Repairs:** It certainly is very bad timing carrying out repairs to the footpath on Chapel Hill, after having 8 weeks of school holidays to do so. Who decided on that?

**Liffey Descent** – We hear that the Liffey Descent canoe races will go ahead this year, on

Saturday next, 11<sup>th</sup> September. Well worth bringing the kids down to the weir on the day.

Our Paralympians are doing themselves proud in Tokyo! Modern day heroes and heroines taking on such great challenges, on top of those already faced, are to be highly respected! Well done to all!

Dubs Ladies take on Meath in the All Ireland Football Final this Sunday – Here's hoping they can make it 5in-row!

**Tyrone** certainly surprised everyone is last weekend's men's semi-final, by trouncing the Kingdom! Strange days in GAA! Who will come out on top next weekend – Tyrone or Mayo?

What about our Boys in Green in Portugal on

Wednesday night last! You'd have to feel sorry for them after playing their hearts out. We might not qualify for this tournament, but we should have a brilliant squad ready for the next one!

We wish Fr. Joe Poole all the best in his newest ministry in Portugal. Hopefully we will see him back at Mass in St. Mary's at some stage.

**Great to see Nodlaig and Mary** back on their feet again. You'll be taking part in a marathon next!

#### **Storm Names 2021 - 2022**

The Irish, UK and Netherlands Met Offices got together to decide on the names of the coming storms: Arwen, Barra, Corrie,

Dudley, Eunice, Franklin, Gladys, Herman, Imani, Jack, Kim, Logan, **Méabh**, Nasim, Olwen, **Pól**, Ruby, **Seán**, Tineke, Virgil, Willemien – 3 very Irish names in there!

## **Lucan Community College**

Staff Team-Building: Our staff team returned to the college last week to meet and plan for the year ahead. They also took part in a Teamworks teambuilding activity session where plenty of imagination and creativity was evident in solving the various puzzles and challenges. A particular welcome to those who are joining our team for the first time this year.

**Results Time:** Wishing all of our 6th year students every success as they receive their LC and LCA results and await offers of courses for the coming year. We are so proud of everything they achieved during a very challenging year.

Student Induction Reminders: While we hope that this year will be a more normal one for all of our students and we hope to start up most of our extra-curricular activities shortly, each member of our school community was reminded that they are personally responsible for following the health protocols in place for our safety. Parents and students can find out more about the appropriate actions to take to keep everyone safe on gov.ie/backtoschool

Welcome 1st years: Our 1st year students started with us on Monday last and received a great welcome from their Year Head Ms Brady, Link DP Ms Malone, tutor team and school prefects. They were reminded of our school motto Aontas/Unity and were assigned journals and lockers. We look forward to accompanying them on their secondary school journey over the next 6th years.

Induction Day 2 for 1st Year Students kicked off with a digital literacy session, led by our 5th Year student Digital Leaders and supported by 1st Year

Class Tutors. The aim of this session was to empower our 1st Year students to connect NEWS digitally with the wider Lucan CC community.

Students also engaged in a range of fun activities like "Get to know me" Bingo and "5 Things about me" to help them to make develop new relationships, and feel connected to their new classmates. Thanks to their Tutors, the Student Digital Leaders and Mr. McGowan, Lucan CC Digital Lead, for supporting these activities

> Second Year news: We welcome back our students who graduated last May 2021 from First year – classes Elm, Willow, Rowan, Sycamore, Oak and Cedar - and who now commence their second year with us in Lucan Community College. It is an exciting time for everyone. We trust that you will continue to be the respectful, responsible and resilient young people that you are. We hope that you will be refreshed and ready to learn and enjoy the second year of your journey with us.

## Let's celebrate our 30th German Exchange-Virtually - with Gymnasium Münchberg!

This year due to Covid-19, we are unable to host plus travel to Germany as part of our German Exchange programme. We communicated with our

friends in Germany and decided to participate in a Virtual Exchange. Part one will take place in October, in Lucan CC when we will virtually host various activities. On Tuesday 5th October we will have an opening ceremony in our college and our students' exchange partners in Germany will link in with us via Teams/virtually. It will be different but we will make the most of it. Our German department along with other teachers from other departments have put together an action-packed programme of events which will be virtually undertaken by our Irish and German students, for example, Music, Cookery/Baking, History & Geography, GAA sport, Irish dancing and Art.

Part two of the exchange will take place in February, when Gymnasium Münchberg will virtually host and indulge us with exciting activities and cultural events. It is an opportunity for us to speak German and experience some German culture and learn about various customs and traditions. Twenty Irish students from 4th and 5th year will partake and be partnered with twenty German students. It will be an exciting adventure and we hope that it will be an event to be cherished. More news on this will appear in our next newsletter.

Best of luck to all involved - Viel Glück!!

Below: Team building activities during TY Induction Day

Transition Year Induction: Our Transition
Year students had their first day of the term on
Wednesday. Wearing their senior navy school
uniforms, they looked fabulous! They had a day
of Induction, hosted by Transition Year Coordinator and Deputy Principal Ms Butler and 4th
Year Head Ms Finlay and aided by the six TY
tutors. The day included some fun ice-breaker
games. We have a fabulously rewarding
Transition Year program in St Joseph's College
and we look forward to seeing our Transition year
students grow over the coming year.

## St. Mary's Camera Soirée

Well last week certainly made up for what had been a rather miserable August until then, with temperatures in the mid-20s during the day. But it did turn a bit nippy in the evenings.

Our photographers took advantage of the fine weather with Paddy submitting photographs from Connemara, Irene submitting some

from Glendalough and Willie submitting some from Mount Usher Gardens in county Wicklow. As usual Conor was communing with nature and submitted some lovely photos of birds at sunset, seals playing and butterflies feasting.

Cont'd over ......

After a year and a half, we had the first photos from abroad. Anna submitted photos from Netherlands where she was finally able to visit her son. Apart from interesting V shaped trees she produced evidence of her intention to do some serious shopping with a "shopping trolly" that far exceeded the height of her son. Retail therapy with a vengeance!

With the recent announcement of further relaxations in the COVID restriction in the coming weeks and the virtual abolition of virtually all of them before the end of October we will have to see if there is a desire amongst the members of the group to meet indoors in the near future. On the few occasions that we have met in the open air this wish has been expressed by some members of the Soiree. While WhatsApp and our Friday morning on-line meetings have helped the group to stay in touch it is far less satisfactory than from face-to-face interaction. It

goes without saying that everybody in the group and the management of the Parish centre would have to be happy with how and when to proceed. We will wait and see what happens.

Till next week stay safe!

The allocation of Pitches/Sporting Facilities Policy and Conditions clearly states the following; Where car parks have been provided, clubs must ensure that both their members and the visiting teams avail of these facilities. Where no car park is provided, clubs must ensure that all cars are parked so as to minimize inconvenience to adjoining residents and to avoid unnecessary complaints and nuisance to owners and occupiers of surrounding properties. As part of its new Green Clubs programme, the

GAA, in collaboration with the Regional Waste Management Authority and Irish Water, recently launched an initiative to eliminate single-use plastic bottles from Gaelic Games clubs and grounds. Lucan Sarsfields GAA club in Dublin were joined by An Uachtarán CLG, Larry McCarthy, in Croke Park to launch the 'Puc Single-Use' initiative. The club is amongst 45 clubs in Ireland taking part in the pilot Green Clubs programme. Waste is one of five thematic areas being explored by participating clubs, along with water, biodiversity, energy, and transport. Club GPO, David Moran, was able to give some of the campers at the recent football camp a reusable water bottle from Irish Water. This is as part of our Green Club project and our commitment to reducing waste, eliminating single use water bottles and encouraging good habits. The kids can bring their bottle to training and matches and fill it at the outdoor tap at the dressing rooms. We should all follow their lead and ditch single use plastic! Cont'd over......

## Badminton Players in the Lucania Hall in the late 1930s.

The Lucania Hall where the Circle K service station stands today, was formerly a Tram Shed. When the trams ceased coming to Lucan in the early 1900s, the great galvanised shed became The Lucania Hall, and lent itself to badminton and dancing. People came from all over the place, mostly on their bicycles, to dance the night away. The venue, renowned for its maple dance floor, was very popular with the soldiers from Baldonnell.

Our photo shows members of the Badminton Club. The gentleman on the left was Eddie Tuohy, from Rusheen House (*across the road from AIB*). His mother was a former school teacher, and Eddie later became a doctor in England. Beside him is Edmund O'Neill, who had a grocery shop on Main Street, where Taste Buds Bistro is today.

Of the ladies, the first two from the left came from Clondalkin, names unknown, and beside them on the right is Eva Behan – note the 'E' on her dress.

Eva lived on Dispensary Lane – the short stretch between the Muintir na Tire Hall and the Lucan Clinics (*known locally as The Dispensary*). Her cousin, the late Kathleen Moffett, who lived with the family following her own mother's death in 1929, recalled listening to "all the lovely music when bands were playing at dances in the hall".

## And here's a strange one!

Kathleen wrote: "For several years during the 1930s, the kitchen served as the Social Welfare Office for Lucan! The Relieving Officer (a Mr. Fred Jacob from Clondalkin), sat in the kitchen for a couple of hours on Thursday mornings and handed out Sickness Benefit etc, to any of the locals who were entitled to same."

There were three houses on Dispensary Lane at that time, and some thirty years later, when Sarsfield Park was built, the occupants of all three would move to the first three houses in the brand new estate. Shortly afterwards, the old homes were demolished.

Another event at The Lucania! Spa Rovers celebrated winning the Cregan Cup in 1939.

*L-R:* Mrs. Cully, John Kane, Larry Cully, Billy Malone, Lucy Behan, Bill Mahady and Tommy Behan.

The Club was formerly known as Lucan United, but got into a fight and were barred from the league forever in 1940, so hence the change of name to Spa Rovers.
